Re: L.E. Carpenter Site

Rockaway River Sediment Ecological Assessment

Dear Jonathan:

Please find the enclosed revised Rockaway River Sediment Ecological Assessment dated March 22, 1993. Although the Department did not require that the L. E. Carpenter revise the original document, L. E. Carpenter deemed a revision necessary to properly address all issues raised by the reviewers.

Please forward this report to the appropriate personnel to confirm that the revised document has adequately addressed their comments. I would appreciate if you would respond back to me by April 19, 1993.

Should you have any questions, please feel free to contact me at (609) 633-1455. Thank you for your continuing cooperation.

Sincerely,

Christina H. Purcell, Case Manager
Bureau of Federal Case Management
